## Our Centre and the reason Sip & Style was born...

### Facts about the Centre...

- Clermont Kindy & Day Care is a not-for-profit organisation run by a group of volunteers called the Management Committee.
- All profits made by the Centre are spent on improving the centre and its programs.
- It is the only childcare centre within a 100-kilometre radius of Clermont and provides care for up to 75 children a day, aged infant to 12 years.
- The Centre provides care for approximately 150 families of the region.
- A vast majority of the Clermont workforce and businesses are reliant on the childcare services the Centre provides.
- In 2015, the Centre was graded against the National Quality Standards. Physical Environment was the only area the Centre was deemed below the standard ('Working Towards'). All other areas were assessed as 'Meeting' or 'Exceeding' the Standard.
- Since the rating period the Centre has had many improvements including - fully painted inside and partially outside; playground upgrades completed in the Nursery, Toddler and Kindergarten yards; new bathroom facilities in the Toddler Room; new air conditioners in the Pre-Kindergarten Room; new tables and mats throughout the Centre. But there are still extensive works needing to be completed as soon as possible.
- If the Centre cannot prove that we are improving on the areas that failed to meet the standard, the Centre can be forced to cease operating.

### ***Facts about Sip & Style Ladies Night...***

- Sip & Style was first held in October 2015 in the hopes to raise money and awareness for the extensive upgrades – specifically the outside play areas. Thanks to the support of the Clermont community and businesses it was a success and it has lead to the event continuing in the following years.
- The 2016 event was awarded a Group Achievement Medallion and was nominated for Event of the Year at the IRC Australia Day Awards in January 2017.
- Over \$12,000 was spent at local businesses in the Clermont region for the 2016 event. Our aim is to continue to support local businesses wherever possible.
- Funds raised from Sip & Style 2015 and 2016 (along with grant funding) facilitated the completion of the Nursery and Toddler playground upgrades. Glencore Open Cut generously donated funds to complete the entire Kindergarten playground.
- The playground in the Pre-Kindy area still remains to be upgraded. The money raised from Sip & Style 2017 will be put towards upgrading this area.
- Sip & Style 2017 will be held on 14 October. Tickets will go on sale in September.
